Re: Discount Imaging

To Whom It May Concern:

I truly do not know what I would do without Discount Imaging taking care of all of our needs. I take care of buying and ordering our supplies here at Dr. Gray's office. There has been times I have had to drop everything and run to Office Depot and pick up an ink cartridge that I had forgotten. I no longer have to worry. I know that Cleve will be by to make sure we have everything we need. Cleve has great suggestions and knows his job well. Doing business with Discount Imaging takes a lot of stress out of my job. Thanks Cleve!

Sincerely,
