To Whom It May Concern:

I am writing this letter to strongly recommend Discount Imaging for your company. We have been doing business with them since 2006 and have always received exceptional service.

They have provided our toner and maintenance for our printers since 2006. Recently we signed a print assurance contract with Cartridge on Wheels that covers our all our print needs. As stated in the contract, we are only charged per print as a true usage program. As Cartridges on Wheels, they have always responded to any calls in a timely and professional manner and continue to keep us well stocked with toner. With Cartridge on Wheels, we are able to manage our printing cost and usage with great accuracy.

Overall, I would strongly recommend Discount Imaging and Cartridges on Wheels as your equipment and service provider for your printers and copiers.

Sincerely,
